Leather Footwear

Brief History

I.A. Leather is a leading manufacturer and exporter of leather footwear and running the business successfully since last 50 years. The main motto of the company is to provide well designed product to our buyers with high quality and timely delivery. At the initial stage, we started manufacturing ladies leather sandals with European & US standard and on its success, we have expanded our range in ladies, mens & children's leather sandals, shoes & boots. After some times, four enthusiastic and energetic directors have joined the company to penetrate the other parts of world with our quality product. We have two fully equipped manufacturing plants in Kanpur and establishing third factory in Agra. We appointed a highly qualified designer from Europe for development for Spring / Summer as well as for Autumn / Winter who study the market time to time and develop high quality product. We keep on developing our collection accordingly which is well accepted in the market.

Men's High Fashion Footwear

Brief History

Our Motto:- Quality & Service without compromise, with great pleasure we welcome you to the 'Piccasso' family. We manufacture and export high quality Men's fashion shoes. We started in the early nineties as a modest enterprise. The beginning was small but with positive attitude and big dreams under the name of 'Karam Udyog' where 'Karam' means 'THE RIGHT ACTION'. True to this principle we have over the years made a reputation for ourselves for giving "value for money" product under our brand name 'Piccasso'.

Man Power & Capacity: - Today we are a modern manufacturing unit equipped with latest machineries having a capacity to manufacture approximate 500,000 pairs per annum of high quality shoes/boots. Qualified technicians and supervisors are controlling and maintaining production in all process. We have the infra structure to procure/ import all kinds of international quality raw material whenever required.

Certification:- Our company is SA-8000:2008.

Research & Development: - The company has an experienced and well trained project team backed by extensive in house R & D facility for undertaking all kind of projects. Moreover, we have consultants from Italy and U.K. for new developments and maintaining quality of our shoes.

Leather Footwear

Brief History

It was 9th April, 1946 which marked the dawn of a new era in the history of Indian leather industry, it was the day when a person, meager in resources but high in ambition established a small tannery in the north city of Kanpur, With his visionary Skills and farsightedness, this austere person understood the winds of change and opted for a new venture, i.e. from family business of Trading to Manufacturing. Today, all Super Group companies owe their entire success achieved over the last 60 years to this noble soul. Mr. Choudhry Mohammad Amin and his only son Mr. Choudhry Ehsan Kareem. These two illustrious gentlemen were the grandfather and father, respectively of the Managing Director of the company Super Shoes Limited - VEQARUL AMIN. Today, he manages this state-of-the-art new leather processing (capacity: 1.5 million sq. ft. per month) and shoe manufacturing plant (capacity: 3000 prs. Per day) located in the town of Unnao at Leather Technology Park, especially developed by the State Government – Uttar Pradesh .This industrial park is equipped with the most modern common Effluent Treatment Plant with totally secured solid waste disposal site.

Leather Footwear

Brief History

Super Tannery Ltd (STL), established in 1953, started operations by processing 50 Buffalo hides per day, converting them into Vegetable Tanned Leather for shoe soles. Since then, the company, well guided by a professional approach, has marked an important name for itself in the world leather map, making it, one of the oldest and well reputed business houses of Northern India. Strong belief in value addition led the company to innovate new products by adding value to the existing ones. From the time of producing leather for shoe soles, the company's product range now includes: **Leather for :** Safety and Casual Footwear, Upholstery, Lining, Shoe soles, Equestrian equipment **Footwear :** Military, Safety, Casual and Formal, Kids **Accessories :** Bags, Belts, Jackets, Jewellery. STL owns and operates 5 independent manufacturing facilities, producing articles of the highest quality for leading European and American brands. Employing more than 2000 people, the company has its customers in more than 40 countries. It has offices and warehouses in the United Kingdom, United Arab Emirates, Malaysia and China. STL's obsession with quality and social responsibility has led the company to achieve ISO 9001:2000, ISO 14001:2004 and SA 8000:2001 certifications.
