Annual Production Capacity

Leather – 5,00,000 Sqft

Brief History

Balma Leathers & Chemicals, an Asian Company has set its foot in the field of leather, some 15 years before. The factory located in a vast area in southern part of India has many young talented people associated with it. With sound knowledge in leather processing, with confidence derived from Italian technology, with highly dedicated, hard working and enthusiastic young people associated with Balma Group, the company stretched its wings like a Falcon covering or capturing the Indian Leather Market.

Added with other key factors like: • A separate R&D department, which develops new articles now and then • High quality Sheep Nappa, Goat Suede is developed from Saudi Arabia raw material. • We have high quality lining- Indian raw material • High Quality suede- European raw material • With gratitude to global kem, Italy and its associated people we distribute chemicals all over Asia

Our system of work : • We never compromise in selection of raw material, so as to give correct quality with appropriate match to the sample • We work with Zero Tolerance Policy in delivery. The prompt delivery by us keeps our customers with us • We provide service after delivery, which fulfils our customers to meet their requirements.

Saivaa International is one of the market leads in

Exports of Goat, Cow, Sheep, Buff Leathers to Several countries & Brands Saivaa International was established in the year of 2007 by Mr. Manish who is a qualified Leather technologist with the vast experience in the leather industry. Mr. Manish began his career in Leather industry and after putting in over past 3 decades working in various parts of the world, returned to Chennai to set up his dream project, a small Leather Unit, which was started as a tiny factory and has today grown into a reasonable large set-up with direct exports, bulk corporate customers all over the world. The major credit for bringing up the unit to its present level should go to his innovative style of functioning and a very hard working nature. A perfectionist in the core Mr. Manish is now an authority on Leather and Leather business. We are leading leather manufacturer and exporter in southern India.
