Brief History
Globe Group has been promoted by person of eminence in the field of leather industries, having successful track record of manufacturing & marketing a wide range of quality leather products for the past three decades. Globe Group has come a long way in manufacturing & marketing diverse range of leather, leather products & bonded leather crossing many obstacles to become a hub of leather products industry in India. The industry is established since 1970, by Mr. Malik Karamatullah, founder of the industry gave start to Bonded Leather with the idea to regenerate leather, with sheer hard work & futuristic vision that is the reason why the industry has become the one of largest manufacturer of Insole leather board for footwear industries in India. Later his son Mr. Malik Barkatullah and grandson Mr. Malik Kalimuthullah joined the industries and worked together with new modern machinery and technology to develop finished bonded leather, as a replacement of leather for leathers goods and achieve tremendous success as a result now the industry has successfully expanded into three units at different locations. The main vision of Globe Group is to develop a successful and dedicated industry for manufacturing & marketing wide range of cost effective and latest brands of highest quality leather & leather products. Spreading its network to the remote places in India and abroad to cater to the needs of its esteemed customers. With the above vision Globe Group aims to create a niche for itself in the leather & leather products industry not only in India but throughout the globe with strong bonds with the customers. That’s why we say “Globalizing Perfection”

Brief History
The Sac & Satchel Company, a division of Shoeline, was set up in the year 2015. The Sac & Satchel Company is a Manufacturer / Exporter of Leather Goods. It falls under the SME category & operates in a Government declared priority sector. The Sac & Satchel Company was established to promote the export of high quality leather goods like handbags, totes, messenger bags, clutches, small leather goods etc to reputed overseas brands, as well as to launch & establish its own brand in specific markets overseas. The unflinching quality standards in leather, design & workmanship are the pillars through which the company aims to grow & make its presence felt in this highly competitive sector. The company works with a team of designers in India, Italy as well as the USA, to develop it`s product range. There is an emphasis to create designs which embody the craft traditions of India onto leather, thus creating a unique collection of products that are differentiated from others. The firm works with a well equipped captive tannery based in Chennai where the leather is processed from Wet Blue to Finished Leather. The company is thus able to provide a wide variety of leathers to choose from.
