MEGA LEATHER CLUSTER

A Project of KPILC

WORLD - CLASS & ECO - FRIENDLY
LEATHER CLUSTER AT KOTHPATNAM

Harness the Strenght of World - class infrastructure In the Leather Sector

SALIENT FEATURES

A Special Purpose Vehicle (SPV) Krishnapatnam International Leather Complex Pvt. Ltd. was incorporated as a Joint Venture of Andhra Pradesh Industrial Infrastructure Corporation (APIIC) and Leather Industries Development Corporation of Andhra Pradesh (LIDCAP), both State PSUs.

Krishnapatnam International Leather Complex (KPILC) is an environment conscious company dedicated to create world-class infrastructure at one end and environmental management systems at the other.

KPILC is committed to provide excellent infrastructure for Leather Industry and atmosphere that helps entrepreneurs in smooth running of their businesses with a comprehensive master plan with a host of facilities that include common effluent treatment plant, marine outfall and reliable power, well laid roads, uninterrupted water supply, excellent connectivity and skilled manpower.

DIPP has notified Mega Leather Cluster in March, 2012/January, 2014 with major objective developing Mega Leather Cluster hosting production units of all segments of leather viz., footwear, footwear components, Leather goods including gloves, leather garments saddlery and harness items.

KPILC is proposing to develop Mega Leather Cluster and also an integrated leather park as complimentary for the development of leather industry with special focus on Leather Products and made-ups.

MLC is located in Kothapatinam in SPSR Nellore District of Andhra Pradesh in South India near the sea coast of Bay of Bengal.
