The Council for Leather Exports (CLE) was set up in July 1984. A non profit company registered under the Indian Companies Act 1956, the CLE functions as an autonomous organization under the aegis of Ministry of Commerce & Industry, Government of India. The CLE is the notified Export Promotion Council for Leather & Leather Products namely leather tanning, leather footwear, non-leather footwear, leather garments, leather goods & accessories, gloves, harness & saddlery products etc. The CLE is an apex body of the strong and rapidly growing Indian Leather & leather products industry committed towards its overall development and export growth.

The CLE is headquartered at Chennai, with Regional Offices at New Delhi, Chennai, Kanpur, Kolkata & Mumbai. In addition, CLE has two Extension Offices - one at Agra and another at Jalandhar.

CLE's core objectives :

- Develop the Leather Industry both industrial development as well as export growth.
- Undertake Promotional activities to increase global outreach of Indian leather products.
- Assisting importers anywhere in the world towards their sourcing needs of leather & leather products.
- Providing necessary information and guidance to overseas investors towards joint venture collaborations and other strategic alliances.
- Be a single point contact for the national & overseas business community and organizations, on any aspect in relation to the leather.

CLE'S activities:

- Dissemination of market information, trends, policy matters and publishing information on commercial, technical and technological developments in the Indian leather industry.
- Participating in major international trade fairs & specialized trade shows across the globe.
- Organizing Buyer-Seller Meets and Road Shows abroad besides B2B meetings in overseas countries.
- Promoting, facilitating & attracting Joint Ventures, technical collaborations & strategic alliances, FDIs etc In to the Indian leather sector.
- Inviting Resource persons/ Experts to the Trade Fairs, Seminars & Workshops held in India, for exchange of information, knowledge, ideas and strategies.
- Collaboration with specific international projects to build capacities and increase trade between the countries involved in the projects.
- Mooting Delegations to overseas countries with a view to identify sources for raw materials.
- Perform the Facilitation and coordination activities towards implementation of Indian Leather Development Programme of Govt. of India.
- Serving as a vital link between the Government and the industry members, while focusing on the overall health and growth of the Indian leather industry.
