### Brief History :

Royal polymer's Group a dream project of Mr. Sudhir Gupta, was born in 1986. Like many other inspiring stories of middle class dreamers & achievers. Niche Company's in Agra –India & for that matter in northern India in Footwear accessory manufacturing. The Royal Group Company (Premier Plastics & Royal Polymers) which started slowly & with a humble beginning is now having a good turnover The Production facilities are established on a plot of 15000 sq.yards and such has huge scope for expansion and innovation. The Company is making all types of ladies & gents soles i.e. PU, TPR, PVC, Rubber and also hand- made customized soles both in leathers & tunic category. The Co's products have been in great demand for renowned International brands like Bugatti, Zara, Diechmenn, Benetton, Eram, Next, Geortz, & Lumberjack, to name of few. To achieve International Quality technical standard's Mr. Gupta has bought state of the art plant from Italy & has invested a lot in R & D. He personally pays great attention on developing new & exciting samples. No Company is complete without a team. This is true for Royal Polymers Group as well, today it boasts of a team which is dedicated, well trained, focused & goal oriented. Mr. Gupta's is now an inspiring story for upcoming entrepreneurs of Agra & he deserves praise for all the efforts which he was made to come so far in life. The vision of the Co for future is to achieve 'zero' error in quality & technical standards to command a niche place vis-a-vis Foreign Counterparts.
