

COMMUNICATION TO EXHIBITORS

In addition to the provisions set out in art. 14 of the General Exhibition Regulations referred to above, by signing this application form, the company expressly acknowledges that, in the event that the Expo Riva Schuh & Gardabags trade fair scheduled for 13th to 15th June 2021 cannot take place in the physical sense, due to the ongoing state of the health emergency and/or in the presence of conditions that impede its performance, the Organiser will create a digital edition of Expo Riva Show on the same dates, postponing the physical edition of Expo Riva Schuh & Gardabags to **18th – 20th July 2021**.

In the event that due to the persistence of impediments that affect its implementation, it is not possible to carry out the event in the month of July either, then it is established as of now that the physical edition of Expo Riva Schuh & Gardabags will take place from **5th to 7th September 2021**.

The Organiser will confirm the dates 45 days before the start date of the event.

By signing this form/request, the company accepts as of now that which the Organiser proposes, confirming participation in the physical event on the dates that it effectively takes place, with conditions, including financial, that will remain unchanged, with the specification that in any case the Organiser will not request any increase in the fee for participation in the digital edition.

The Organiser however reserves the right at its sole discretion to cancel the organisation of the physical event 'in presence.' In such case, the Organiser will consequently not be required to pay the Exhibitors any sum of money by way of compensation for damage and/or compensation, for any reason whatsoever.

In this case, the company confirms as of now that it will participate in the digital edition of Expo Riva Show, according to the official economic conditions published by the Organiser.

Best regards
