ALPINE
estd. 1986

ALPINE APPARELS PVT. LTD.

Established in 1986, Alpine's integrated design & manufacturing set up is geared to cater to the most discerning buyers of fine leather goods & accessories.

The company's business structure is based on manufacture and export of a complete range of fashion goods from leather handbags, belts, small leather products and lifestyle accessories. Its client repertoire includes some of the most celebrated luxury labels, fashion retail stores, high-street and premium brands across the world. Alpine Apparels is recognized by the Government of India as a Star Export House. Corroborating its excellence of quality and service are the various awards for performance that Alpine Apparels has been honored with including those from prestigious industry bodies such as the Federation of Indian Export Organisations and the governments of India and Haryana.

The company is broadly divided into two divisions- luxury and premium. The luxury segment consists of two production units dedicated exclusively for manufacturing handbags and small leather goods for an Italian luxury fashion house. The premium division caters to various other brands across geographies. In the USA, Alpine Apparels supplies its superlative products to brands such as John Varvatos, Ralph Lauren, Tory Burch, Frye, Sam Edelman, Vince Camuto and Lucky Brand amongst others. In Europe and the United Kingdom, its customer roster features prestigious names such as Mandarin Duck, All Saints, Anthropologie and Diesel. The company also has a dedicated unit producing wallets for a premium Australian brand.

The company was founded by Mr. Sanjay Leekha in 1986, with a small team of four, producing only leather gloves to be supplied to the USA. Over the last three decades, under Mr. Leekha's aegis, the company has grown manifold, both in terms of the team strength and the infrastructure. With a strong commitment to fair employment practices, it has on its payrolls a vibrant set of 1,500 skilled workers. Our turnover for the year 2020-21 was USD 35 million.

Alpine sources a large range of fine leathers from across the globe including Italy, South America, Australia, Ethiopia, the Middle East and India, and from its captive tanneries, with the expertise to handle leathers of various origins. Leathers are tanned, both with traditional and modern tanning techniques including advanced surface treatment techniques like hand padding, washing, distressing, and dip dyeing. A large range of hardware - belt buckles, fittings, ornaments, bag buckles, locks etc are sourced from the finest suppliers of the Far East, Italy and India. Alpine works with all kinds of fabrics and synthetic materials sourced locally from India and from the Far East and Italy. We use innovative methods of surface treatment as inputs in our design besides using different constructional techniques.

Alpine Apparels takes pride in its ethical and professional work culture. It conforms diligently to all legal stipulations as mandated by the Government of India including social compliances to provide the entire ambit of statutory benefits to its work force.

The company has dedicated divisions for leather gloves, handbags, belts, caps and small leather goods. Alpine also has a separate production facility for sports shoes producing for some of the best brands in the world.

The state-of-the-art production facilities are spread over 250,000 square feet of covered area and encompass the cutting-edge specialised machinery. Stringent quality checks and exacting standards of production are what have helped us garner the trust of the most reputed fashion brands in the world.

INTELIKRAFT IMPEX LLP

INTELIKRAFT
Impex
LLP

Intelikraft Impex is an Indian company formed in 2014. The company manufactures mid to high-end leather goods for international brands. We are one of the pioneers of leather goods manufacturing in the country. The company was formed with the view to combine the technical expertise, craftsmanship, along with the advantages of ample source of raw materials and competitive labour force. The factory is also involved in production for other brands based in Australia, Germany, and Netherlands. The organisational objective is to manufacture and export high quality leather products at the best

possible price, while providing an integrated sourcing solution. The current four-storied production plant occupies a space of 30,000 sq ft in Kolkata, India, and employs 150 workers, with an installed production capacity of 240k bags and 500k small leather goods per year. Additionally, the factory has a competent Sample team and a dynamic Business Promotion team who provide complete merchandising solutions. The production facility is fully compliant according to international building code standards & regulations. The majority of the leather procured is from Indian sub-continent, Italy, Thailand and Bangladesh. A customer focused outlook coupled with a dedicated and skilled team of professionals, along with an in house designer team, which has enabled the company to achieve a prestigious position in the industry today. The company owns a globally registered brand named, SAVAGE HIDE. Intelikraft Impex means quality & timely shipment, which is the company's motto. Our final goal is to build a long term, lasting relationship with the customer. The vision for Intelikraft Impex is to grow sustainably and to be known internationally for its outstanding quality and service.

“I believe that a wolf demonstrates a distinctive relationship to successful leadership in the world of business today, and if you too believe in what we believe, then you too would be successful.”

Amit Dasgupta,
Partner of Intelikraft Impex

FIND US ON :   

STYLES AND SMILES

We are manufacturers of **PU Faux Leather /Leather products like Men's & Ladies Belts, Wallets, Bags, Cardcases** and many other small leather accessories. We have been working in this industry for over 35 years and **our mission is to always provide competitive price, quality goods with timely delivery to our customers.**

We produce & source leather by ourselves. We also source PU (Artificial Leather) from India which looks and feels exactly like Genuine Leather. All our fittings including our finished leather are tested in Internationally Recognised labs and satisfy the Prop – 65 California, Testing Standards.

Our Factory is,

1).Socially compliant and follows all the rules and regulations of The International Labour standard.

2). A SEDEX 4 Pillar audited company.

3). Certified by Disney with regard to their social audit.

3) An ISO 9001: 2015 certified company.

We are producing for Disney, Collegiate Teams of the USA , all the Football teams in the UK etc., and many branded customers. We have all kinds of sophisticated machinery such as Heat Embossing machines, Digital Printing Machines, Embroidery machines, etc.

Today, as you know, Importing to America from India is a much better aspect/prospect for you than China, mainly because of the Import duty sector. You may be also well aware that India is No: 2 after Italy in manufacturing quality finished leather. **We also manufacture Belts in PU (faux leather - this PU faux leather raw material is being produced in India with Chinese technology).**

Please find attached a few of our wallets collections and Belt Collections for your reference.

Looking forward to your further enquiries and questions to us. You will not be disappointed.

Suresh Gupta
CEO

Email: suresh.fnf@gmail.com

The Source, is engaged in servicing factories producing leather garments, shoes and accessories around the world since 30 years. Committed to identifying customer's needs and fulfilling them and striving to always exceed customer's expectations is our strength.

One of our core products is our Goat suede and Lamb suede, the finest raw material tanned and dyed and silky nap is produced with optimum buffing techniques.

We offer Sheep Drum Dyed, Aniline, Semi Aniline finishes and Nubuck.

We produce custom made articles out of lambskins of Indian and Middle Eastern origins, we segregate the raw material depending on the article and fine tune the article and use the appropriate raw material that would suit the article. Bearing in mind the finished product the leather is intended for and the size and grain requirements of the customer, our quality control begins from selecting the raw material and we ensure the same stringent standards are maintained down the line until the skins are inspected, measured and packed for shipment.

Our keen eye for quality and colour and discerning sense of quality perception has helped us attain and sustain the high levels of quality control and customer satisfaction we have achieved over these 30 years.

We have exported our leathers to South Korea, China, HongKong, Taiwan, Vietnam, U.S.A, Canada, Poland and Srilanka.

We are looking forward to service factories in China with the best finished leathers crafted to suit their needs and build a long term mutually beneficial relationship.
