ALPINE APPARELS PVT. LTD

Established in 1986, Alpine's integrated design & manufacturing set up is geared to cater to the most discerning buyers of fine leather goods & accessories.

The company's business structure is based on manufacture and export of a complete range of fashion goods from leather handbags, belts, small leather products and lifestyle accessories. Its client repertoire includes some of the most celebrated luxury labels, fashion retail stores, high-street and premium brands across the world. Alpine Apparels is recognized by the Government of India as a Star Export House. Corroborating its excellence of quality and service are the various awards for performance that Alpine Apparels has been honored with including those from prestigious industry bodies such as the Federation of Indian Export Organisations and the governments of India and Haryana.

The company is broadly divided into two divisions- luxury and premium. The luxury segment consists of two production units dedicated exclusively for manufacturing handbags and small leather goods for an Italian luxury fashion house. The premium division caters to various other brands across geographies. In the USA, Alpine Apparels supplies its superlative products to brands such as John Varvatos, Ralph Lauren, Tory Burch, Frye, Sam Edelman, Vince Camuto and Lucky Brand amongst others. In Europe and the United Kingdom, its customer roster features prestigious names such as Mandarin Duck, All Saints, Anthropologie and Diesel. The company also has a dedicated unit producing wallets for a premium Australian brand.

The company was founded by Mr. Sanjay Leekha in 1986, with a small team of four, producing only leather gloves to be supplied to the USA. Over the last three decades, under Mr. Leekha's aegis, the company has grown manifold, both in terms of the team strength and the infrastructure. With a strong commitment to fair employment practices, it has on its payrolls a vibrant set of 1,500 skilled workers. Our turnover for the year 2020-21 was USD 35 million.

Alpine sources a large range of fine leathers from across the globe including Italy, South America, Australia, Ethiopia, the Middle East and India, and from its captive tanneries, with the expertise to handle leathers of various origins. Leathers are tanned, both with traditional and modern tanning techniques including advanced surface treatment techniques like hand padding, washing, distressing, and dip dyeing. A large range of hardware - belt buckles, fittings, ornaments, bag buckles, locks etc are sourced from the finest suppliers of the Far East, Italy and India. Alpine works with all kinds of fabrics and synthetic materials sourced locally from India and from the Far East and Italy. We use innovative methods of surface treatment as inputs in our design besides using different constructional techniques.

Alpine Apparels takes pride in its ethical and professional work culture. It conforms diligently to all legal stipulations as mandated by the Government of India including social compliances to provide the entire ambit of statutory benefits to its work force.

The company has dedicated divisions for leather gloves, handbags, belts, caps and small leather goods. Alpine also has a separate production facility for sports shoes producing for some of the best brands in the world.

The state-of-the-art production facilities are spread over 250,000 square feet of covered area and encompass the cutting-edge specialised machinery. Stringent quality checks and exacting standards of production are what have helped us garner the trust of the most reputed fashion brands in the world.

PRISHA FOOTPRINTS

CARBONFOOTWEAR, JAIPUR

It would not be wrong to say that footwear is part of our body, a part that walks miles with us on any given surface, a part that jumps with us, moves, breathes, and lives with our body. This important part of our body can't just be another footwear; it needs to be something that compliments your being with its combination of quality, craft and comfort, and we at 'Carbon Footwear' work with the sole aim of delivering that perfect combination of quality, craft, and comfort.

Today, Carbon Footwear is one of the biggest manufacturers in the country with a production capacity of 1 lakh pairs per day. We produce a wide variety of footwear with adequate material, technology, machinery, and skilled workforce (graphically showing the types of material used and types of footwear made, for example - Material - RUBBER, PVC, PU, EVA, TPR, pylon). Carbon Footwear believes in producing products that are affordable and also provide the appropriate value for money. With our extensive size range of comfortable, durable, and stylish footwear, we are steadily becoming a preferred brand in Indian households.

At Carbon Footwear, we never compromise with quality in any dimension, be it raw materials, designs or the manufacturing process. The market segment of quality affordable footwears is endless and it is great to see that we are becoming one of the market leaders in this segment.

Now let's take you to the journey of our footwear, that how from raw material it ends up becoming a part of your body. This journey starts at our manufacturing unit, which is established over an area of three lakh square feet. Carbon Footwear is ISO 9001- and ISO 14001 certified manufacturer and exporter for the footwear industry. We are equipped with the latest and finest in class machinery and equipment, and we keep on updating them according to international standards. The whole process of turning the raw material into a final product is looked at closely by our quality control department. Our product range includes a wide variety of products in wide size ranges. (types of footwear ranges shown in graphic includes men, women, kids, etc). Carbon's products are available on all major online shopping portals, and it is performing great on these platforms with positive reviews from the customers. (graphics - online portals picture, review pictures).

Customer satisfaction is our prime focus because I believe that a satisfied customer attracts more possible customers and our successful relationship with our customers proves that. Carbon Footwear is not just about footwear, it's also about its customers' trust and its people's hard work.
