Sub : 6th Designers Fair, Feb. 1-3, 2023 – Invitation for visitors

Dear Member

As you know, CLE has organised five successful editions of the Designers Fair. The Designers Fair provides an opportunity to Indian manufacturers and exporters of leather, leather products and footwear to meet popular overseas and Indian designers at one platform and explore long term business tie-ups, besides buying their design prototypes.

The 5th edition of Designers Fair held from Feb. 1-3, 2020 in Chennai attracted 51 designers from 47 companies/ institutions and 10 countries who displayed their wide range of designs of leather goods, footwear, printed leather etc., in this event. The designers have reported that the Designers Fair 2020 generated more than 800 business meetings.

We are pleased to inform you that the 6th edition of the Designers Fair will be held at Hotel ITC Grand Chola, Chennai during Feb. 1-3, 2023. As in the past editions, overseas and Indian designers will be displaying their projects/designs in a fully constructed stand, for holding discussions with Indian companies for purchase of those designs.

We invite you to visit the 6th edition of Designers Fair. There is no fee for visiting the fair, but visitors have to send the duly filled application form (copy enclosed) on or before Jan. 15, 2022.

We would request all members to visit the Designers Fair in large numbers and send the duly filled application form (copy enclosed) by email to ad-tp@cleindia.com

We look forward to your kind support and co-operation for the success of 6th edition of Designers Fair.

Thanks and regards
