DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : CHD 19 (24201)

Date : 29 November 2023

TECHNICAL COMMITTEE : Footwear, CHD 19

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Footwear Sectional Committee, CHD 19. Please [click here](#) to view the document.

Document Number : CHD 19 (24201) WC

Title of the document : Methods of Test for Footwear Part 28 Top Piece Retention Strength Heels and Top Pieces

Document Type : New Indian Standard

This document has following salient features which may require specific attention for your valuable comments:

1) This Standard specifies a test method for measuring the force required to detach the top piece from the underside of the shoe heel. The test is applicable to heels with the top piece already attached which have been removed from complete shoes, to heels alone with the top piece attached and, in some instances, to heels with separate push-in top pieces. All heels, except reinforced slender heels with top pieces attached by steel spigots and built stacked heels, can be tested by this method.

Please examine the document and share your comments regarding further improvement in the document.

Last date for sharing the comments is : 29 December 2023

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at chd@bis.gov.in to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive any comments on the document, the same shall be put up to the Sectional Committee for necessary action.

Thanking You,

Yours faithfully,
(ITS ADMIN)
Head (Chemical Department)
